

Washington Leadership Conference Scholarship

Advisor Application

Washington Leadership Conference Scholarship Program

through the Kansas FFA Foundation, sponsored by Midwest Ford Dealers

NOTE: Application must be postmarked on or before March 15.

As a partner of the National FFA Foundation, Ford Motor Company currently sponsors the Washington Leadership Program. The Kansas FFA Foundation is pleased to announce that the Midwest Ford Dealers is also supporting the Washington Leadership Program at the state level. By supporting this program, Ford will encourage and stimulate a deeper connection to the value and importance of service and leadership.

The Washington Leadership Conference (WLC) is designed to be the capstone experience of programs offered to high school FFA members. The very best young leaders from local chapters participate in WLC and expect an event above any other FFA provides.

WLC was initiated more than 39 years ago as a national training ground for local FFA members. WLC is a real-life leadership laboratory that helps students understand the highest level of leadership is serving others. Helping students identify problems in their community and solving those problems teach this concept. Four major pillars are integrated into the conference to help students positively affect their communities. Those pillars are:

- Building Positive Relationships
- Solving Community Problems
- Developing Personal Character
- Serving Others

The WLC advisor program is an incredible opportunity to interact and share valuable ideas with other FFA advisors from across the United States. In addition, they have the opportunity to tour some of the Washington landmarks.

Thus, Midwest Ford Dealers will offer two \$1,000 WLC Scholarships: one for an FFA member and one for an advisor. This is the advisor application. The member application can be found on the association page at www.ksffa.org.

Return Application by **March 15** to:
Kansas FFA Association, WLC Scholarship, Umberger 110, Manhattan, KS 66506

For use beginning in 2009

CHAPTER #: _____
