

**Updated 2/2024*

Agriscience Fair Process of Entry & Interview

Virtual

1. Submission of entries

- a. **Due April 17, 2024 via KSU College of Ag**
- b. Complete **online registration** via **JudgingCard.com**
 - i. Same system as the other CDEs/LDEs
- c. Identify any and all potential entries (even those you are not sure will compete)
- d. Need: Student(s) Name, Category, Division
 - i. When registering teams of two, please put both names in the same line under the appropriate category on the registration form.

2. Submission of Manuscript

- a. **Due April 24, 2024 via AET**
- b. Use the “Agriscience Fair” award application to submit the application and manuscript
 - i. Must have all the electronic signatures
 - ii. Students will log into their account to sign their name, the teacher must also sign their name to approve, and the “research supervisor” signs as well (who can also be the advisor)
 - iii. Each person on a two-member team must have their own FFA member ID

3. Interviews

- a. **Conducted the week of May 6, 2024**
- b. Student(s) will sign up for a designated time for a live Zoom session
- c. No displays/slides will be allowed during the interview.
 - i. *National FFA no longer allows them.*

Other items to note:

- Manuscripts will be judged by the same judges as those conducting the interviews.
- Each interview will be allowed 15 minutes total (but they do not have to take the entire time).
- The 15 minutes for each interview include the explanation and any questions from the judges.
- If the project is a team of two, both individuals must participate in the interview if they want to compete for the opportunity to advance to nationals.
- Students may only enter one individual project or one team project, not a project in each division.
