

2025 State Fair Home Landscape Drawing

SCENARIO: Your clients are from southern Kansas. They want you to provide a landscape with easy maintenance and a variety of colors and textures, capitalizing on the heat of southern Kansas with some native plants including succulents. Proud of their Kansas heritage, they want the state tree and state flower included. They would also like a couple of shade trees for an outdoor seating area.

NOTE: Changes to any of the provided elements, including relocating, will be cause for disqualification.
