

EII-Saline FFA Middle School CDE Brawl Rules

1. There will be 11 contests offered at the middle school CDE day.
 - a. If facilities do not allow for livestock, there will instead be 10.
2. Each chapter can have any number of students entered in each contest.
3. Students should be in middle school, and cannot be Freshmen or older. The contests are aimed at 8th grade students.
- 4. Team Scores**
 - a. The top 3 individuals from each chapter will have their scores combined into a team score for that event.
 - b. Each event will have 50 points possible for each contestant, with 150 possible for a team.
 - c. The Speech Competition and FFA Information Test will not count towards the team score.
 - d. Each chapter will 'drop' their lowest score, so their ultimate possible score would be 1200.
 - e. Ties will be broken in the following order:
 - i. The team with the most team first place finishes
 - ii. The team with the most individual first place finishes
 - iii. The team with the most team second place finishes
 - iv. The team with the most individual second place finishes
 - v. The team with the most team third place finishes
 - vi. The team with the most individual third place finishes
 - vii. If a tie is not broken at this point, both teams will be considered
 - f. The top three teams will receive trophies recognizing their achievement.
- 5. Individual Scores**
 - a. Each contest will recognize the top 10 contestants.
 - i. Ties will be broken according to contest rules
